Polygon Chair wins German Design Award

灵动的多边形是Polygon的扶手标志性的设计，极强的现代主义极简几何设计感。它满足舒适的人机功能参数，恰到好处的尺寸设计，正视、侧视、顶视，从不同角度构建不同几何造型：三角形、六边形或复杂的多边形。弯曲的钢管材质与不同饰面椅座背的进一步碰撞突出多边形的二重性。

The cleverly designed polygon is the iconic design of Polygon, which conveys a strong sense of modernist and minimalist geometric design. It meets the parameters of man-machine function, with just rightsizes and different geometric shapes from various angles—triangle, hexagon and other complex polygon when viewed from the front, side and top respectively. The contrast between crooked tube of steel and chair back of different upholstery further highlights the duality of polygon.

Lounge Chair

休闲椅

Model 型号: Polygon

Size 尺寸: W790 D720 H770 SH400

材质与功能

克罗地亚原装进口
胡桃木扶手
钢制框架

Material and Function

Imported from Croatia
Walnut armrest
Steel frame

颜色

电镀黑色/铜色框架，真皮椅座背
黑色/红色框架，布面椅座背

Colour

Electroplated black / bronze frame, Upholstered genuine leather chair seat and back
