遵循极简主义原则，Size以一种最古老的方式呈现在你眼前——光滑纤细的侧板从容托起60毫米厚度的桌面，简练而优雅，让你深刻体会到在忙碌的工作中最需要的是宁静与清晰。

Minimalism as a principle. Sleek lateral panels and units in different dimensions of size seem to carry a 60 mm strong tabletop with easiness - an archaic form, which meets the need for tranquility and clearness in the hectic work environment.

## Exquisite craft

Size integrates its fantasy for German aesthetics into this design. Smooth grain connection, seamless chrome electroplate craft contribute to monolithic appearance, expressing high quality of art.

## 智能走线

桌下走线槽与侧板线槽相连，隐蔽的将线路直通地面。

## 轻松组合

## Smart cabling

Cables run discreetly in the cable guide under the tabletop and are connected to the tech panel in the floor by means of the vertical cable guide on the inner surface of the side panels or the container.
