

Hui 慧

具有沉淀感的胡桃木实木框架与现代的设计线条，使慧沙发传承中国传统文化，却又晓见未来，就像一个智者，拥有“慧眼”般的知见能力。

Hui sofa is defined by walnut framework with a sense of history and lines of contemporary design. It inherits traditional Chinese culture and looks ahead to the future, like a wise man capable of perceiving both past and future.

实木与真皮融合，展现中国意蕴的同时，保有舒适度。背部向后倾仰使得入座者向后依靠，让其以更闲适的状态，淡然的态度处事待人。

扶手处的凹洞便于座椅搬运。

配套茶几，金属台面与底座赋予了“慧”系列更多未来感。“慧”沙发拥有两种高度可选：适配茶几与普通桌面高度。

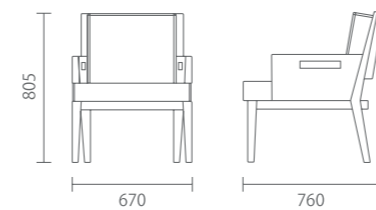

The combination of solid wood and genuine leather inherits the traditional Chinese style and still guarantees comfortable seating experience. The back of sofa tilts backward, so that one can lean back, and conduct oneself in a more leisurely state with a chilled attitude.

The indent in armrest makes transportation easier.

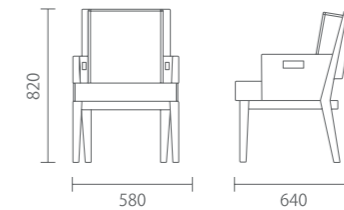

The metal table top and base of matching tea table endow the "Hui" series with a stronger futuristic sense. Hui sofa has two heights to choose from: matching tea table height and general table top height.
