

Clouds 云茶几

桌面悬浮于金属之上，如云飘然而立，宁静致远。

柔和的边缘，如云般丝丝缕缕飘浮。

Pure design is a perfect combination of metal delicacy and wooden tenderness. The desktop stays on the top of the metal, like a floating cloud, embodying quietness and full of power in silence.

Soft edges seem like floating tassels.

精致的金属台脚设计，配合轻薄桌面，简洁现代，台脚与桌面的悬浮连接体现了精湛工艺。

Delicate metal table legs, matching the light desktop, represent a flavour of modern era. The suspension connection between the legs and the desktop fully reflects the excellent technology.
