河中小石

Velax是一套由六个独立的沙发组成的组合沙发。她从河水中石头的形状获得启发, 经过建筑结构学的分解, 每一个都拥有独特的几何形状, 但又如河水中的石头, 他们在流动中变换着不同的姿态, 却总能够亲密的吻合在一起。

River Stones

Velax is a combination of six independent sofas. It is thus defined by interesting combinations; these six sofas each have their own specific shape, but they can also be connected to each other and combined. They can be used independently or together depending on the size of the space at hand; customers will never tire of configuring them into new shapes.

六度空间 沙发的几何学游戏
