

# Interdane

🇩🇰 丹麦原装进口

Interdane, imported from Stouby in Danish

Interdane内置式脚凳，可轻松折叠，适应用户两种状态需求：当脚踏拉出时，可舒适休憩；当其收入时，则可自信洽谈。

Interdane由精致打磨的不锈钢制成结构框架，细腻的真皮与精湛的车缝线赋予了它别致轮廓与低调质感。入坐时，巧妙的结构使Interdane产生轻微的摇摆，给予用户独特舒适的休闲体验。颈垫采用冷发泡海绵制成，环保、抗敏，且有一定恒温作用。

Interdane has an in-built footstool, which is easy to fold out and easy to fold in, giving extra back support. Flexible design and two ways of use make it a perfect fit for leisure in executive office and negotiation.

Interdane is produced in stainless steel which allows for precision detailing. The light construction creates a slight rocking when one sits in the chair. The neck rest has been created out of cold foam and the stitching on the cushions gives the chair a graphical outline.
