

ARN

Designer: Antonio Scaffidi & Mads K. Johansen

德国原装进口

ARN, 玛祖铭立Kusch+Co系列

ARN, imported from Kusch+Co in Germany

ARN 荣获
“2016 German Design Award”

ARN每一个线条，仿佛都可以延伸到天际线。也许这正是设计师为其取名ARN（斯堪的纳维亚古语），意为“鹰”的原因吧！

Each line of ARN seems capable of extending to the skyline. Maybe that is the reason why designer names this produce "ARN"—the ancient Scandinavian word for "hawk."

第一张座椅 & ARN

设计师提炼Kusch+Co第一张座椅的设计精髓：简洁的外观与精致巧妙的结构，并将之运用于ARN的创作构造中。

The first Chair & ARN

The designers Antonio Scaffidi and Mads Johansen intently wanted to establish a link to the "first chair" by Kusch+Co. They adopted the same essential design principles of that period during their R&D: simplicity combined with a sophisticated construction of the seat.

木、塑胶、铝的巧妙融合

木材坚固且具有可持续性，无可比拟的材料特性使其必不可少；可塑性极强的塑胶更易适配人体工学，为椅背和椅座提供最佳坐感；而第三种材料铝，不止丰富了材料元素，还强大了其功能性——铝制椅腿可支撑高达150公斤的重量。

Wood is sturdy and sustainable; its unparalleled properties make it indispensable. The great malleability of plastic makes it a better choice for ergonomic design, and plastic back and seat provide the best seating experience. The third material is aluminum, which not only contributes to the richness of material element, but also strengthens its functionality—aluminum leg can support as much as 150kg of weight.

椅座通常是一张座椅的核心部位，充当着功能原件与承载平台。ARN底盘注入部分塑聚酰胺，内部波纹结构的精心设计，加上椅座上部顶盖，抗变形的箱式结构，实现了ARN最佳的静态稳定。

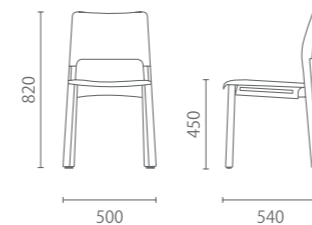

巧妙的是，它的座椅底部设计平整得超越汽车底盘。这样在层叠时可最大化接触面，稳定坚固的同时，避免摩擦损耗。

Seat is usually the core of a chair, and serves as the functional component and host platform. With plastic polyamide injected into the chassis, meticulously designed corrugated internal structure, and a cover on the top of seat, ARN achieves the optimal static stability with its anti-deformation box structure.

Wooden Side Chair

木质四脚椅

Model 型号: 3602-2

Size 尺寸: W500 D540 H820 SH450

材质与功能

德国原装进口
塑胶椅背/椅座/扶手
带座垫
天然榉木椅脚
塑胶脚垫

选配项

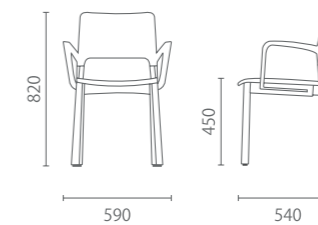

其他颜色椅背、标准浸渍椅架

颜色

塑胶件：黑灰色、白色、石英灰
座垫与椅脚颜色，详情请咨询MATSU

Wooden Armchair

木质四脚椅（扶手款）

Model 型号: 3602-4

Size 尺寸: W590 D540 H820 SH450

Material and Function

Imported from Germany
Plastic chair back/chair seat/armrest
With pad
Natural beech chair leg
Plastic glides

Options

Chair back in other colors
Standard impregnated chair frame

Colour

Plastic part: dark grey, white, quartz grey
The colour of chair leg and seat cushion, please consult MATSU to get more information
